It is rather a remarkable thing that Hobbs and Vall should have both batted 1.000 in one of their games. Vall performed the feat the Saturday before, when he got three hits out of three times up. Hobbs got four bingles out of four times at bat.

Schuman pitched a steady, consistent tame Saturday. He is one of the nost valuable pitchers in the league, nd, probably, is the one least talked bout He is at all times cool, and his litching is always consistent. If the out He is at all tillies cool, at the teching is always consistent. If the rosing team wine, it is through sheer fort on their part. Schuman perimed especially well Saturday. He nined seven men, and got two singles id a two-bagger out of four times 0.
